Purchase Order Terms and Conditions/Quality Clauses

GTC	<p>COUNTERFEIT GOODS PREVENTION: (a) Supplier represents and warrants that Counterfeit Goods are not contained in Goods delivered to Buyer through the implementation of policies that include prevention, detection and risk mitigation methods to protect against the use of Counterfeit Parts.</p> <p>(b) Supplier shall purchase parts directly from the Original Component Manufacturer (OCM) / Original Equipment Manufacturer (OEMs), or from the OCM authorized or franchised distributor. Procurement through an independent distributor, non-franchised distributor or broker is NOT authorized. A certificate of conformance shall accompany each shipment of Goods delivered, along with OCM/OEM documentation that authenticates traceability of the components to that applicable OCM. If an original OEM/OCM certificate is NOT available, distributor shall provide a De-lid and Die Verification Report for the supplied parts verifying authenticity of the parts and such other documentation, testing and/or other information as Buyer shall reasonably request; however, the submission of such additional items shall not relieve Supplier of its obligations hereunder.</p> <p>(c) In the event Supplier becomes aware or suspects that it has furnished Counterfeit Parts, it shall immediately notify Buyer. When requested by Buyer, Supplier shall provide (if available) Authorized Supplier documentation that authenticates traceability of the parts to the applicable Authorized Supplier.</p> <p>(d) In the event that Goods delivered under this Order are, or include, Counterfeit Parts, Supplier shall promptly investigate, analyze and report in writing to Buyer whether such Counterfeit Parts should be replaced with genuine parts conforming to the requirements of this Order, or whether an alternative solution is recommended to meet the Order requirements at Supplier's sole expense. The parties shall then agree upon the appropriate course of action.</p> <p>(e) Supplier shall include this clause or reasonably equivalent provisions in all subcontracts for the delivery of Goods that will be furnished to or included in Goods furnished to Buyer.</p>
GTC	<p>CONFLICT MINERALS: Seller hereby certifies that no material delivered by Seller to Buyer under this Order contains any substance originating from the Democratic Republic of Congo or any other adjoining country that would require disclosure by Buyer under the conflict minerals provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, or any rule promulgated there under. Seller represents and warrants it has adopted all appropriate policies and procedures and has taken all necessary measures, in accordance with the conflict minerals provisions of the Dodd-Frank Wall Street reform and Consumer Protection Act and all rules promulgated there under, to grant the certification in the preceding sentence. Seller shall flow down the substances of this clause to its suppliers which perform work or provide goods or services under this Order. Such flow down is subject to verification by buyer.</p>
GTC	<p>ETHICAL BEHAVIOR: Supplier shall ensure that all persons performing work on products for TMS are aware of their contribution to product or, service conformity as well as, their contribution to product safety and the importance of ethical behavior.</p>
